## *Centurion II Does It All*

If you've been searching for a range of office furniture styles to mix and match, with a wide choice of finishes and colors, look no further than Centurion II.

With Centurion II you get:

- Flexibility for specialized configurations.
- Compatible with Federal space guidelines.
- All the advantages of systems furniture without the panel fastening and wiring.
- Stylish enough for the most visible locations and wide-open floor plans.
- Laminates in the latest fashion colors.
- Built to take the toughest use, thanks to solid mortise and tenon construction, durable plastic laminates and expert assembly.
- Work surface grommets assist with wire management.

Function, fashion and strength—Centurion II Office Furniture has all the attributes you want for versatile office or open-space layouts. Purchased by the piece or ensemble, Centurion II adapts to just about every office furniture need and complements UNICOR's many other fine lines of furniture.

### *Ensembles Give You Great Variety*

The ensemble groupings shown on pages 8-13 answer the need for modular office components. The handy space planning grids (1 square = 1 foot) are an accurate way to predict the total amount of square footage required for a particular grouping.

### *A Word About Stock Numbers*

The Centurion II Catalog has been revised to include National Stock Numbers (NSNs). To assist you, the accompanying price list shows the former stock numbers as well as the new NSNs. For ease in ordering, we have kept the former stock numbers for the ensemble units on pages 8 - 13.

### *Destination Prices*

For your convenience all prices in this catalog include shipping costs. This will save you paperwork as you will not be billed separately for shipping. However, if you are ordering a large quantity of furniture it may be more economical for you to have it shipped F.O.B. origin. We can provide F.O.B. origin prices at the Customer Service Center (800) 827-3168.

or the worker who wants a traditional desktop workspace, plenty of storage and computer capability, Centurion II has the perfect solution. The attractive **Double Pedestal Desk** (72" x 36" x 30") features a full width center drawer, and suspension slides rated to 75 pounds. The desk also has two file drawers with letter size hanging file frames and two box drawers with central locking. All drawers have sturdy construction of solid hardwood with dowel joints and lacquer finish inside and out. Antiqued brass pulls complete the rich appearance on all the woodgrain finishes. Keyboard option not available due to center drawer.

The matching kneehole **Credenza** (72" x 23" x 30") efficiently integrates the computer into the workspace. The optional keyboard pull-out allows the keyboard height and incline to be adjusted to the best position, or pushed out of site. Keyboard pull-outs may be ordered for most desks, extensions or credenzas. To order, indicate the code KYB and the two letter color designation after the stock number. The keyboard pad will match your furniture. Antiqued brass pulls add elegant detail on the four individually locked drawers. Shown here in Cherry

woodgrain laminate, the dull sheen of the satin finish is both attractive and practical.

The **Bookcase Upper Unit** has one fixed and two adjustable shelves and measures 36" x 16 3/4" x 46". The **Bookcase Base Credenza** (39 1/4" x 23" x 30") is another storage solution with a single adjustable shelf.

The **Three Drawer Vertical File** (17 1/2" x 24 3/4" x 42 1/4") has a locking and anti-tip safety mechanism that permits only one of the letter size drawers to be opened at one time.

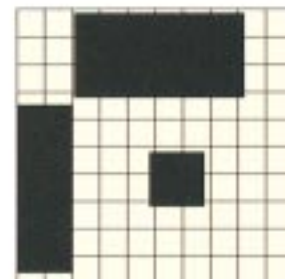

Shown with the ensemble is the tall **Pedestal Lamp** in brass.

**P**ut everything right at your fingertips with this grouping. An **Extension Desk plus Extension (high)**, combined with a **Four Drawer Lateral File** makes it easy to organize workstations for maximum productivity. The Almond laminate shown here is a cool neutral palette that works well with a variety of decors and color schemes, while the satin finish resists stains and scratches.

The Extension Desk (63" x 30" x 30") features a box drawer, letter size file drawer with metal frame for hanging folders, and center drawer with a plastic pencil tray liner. The high extension shown here is the ideal height for computer tasks, while the low extension is the perfect height for typewriters. Solid color surface-mounted pulls on the drawers match the laminate colors. The extension (48" x 20" x 30") has an optional keyboard pull-out, with tilt and height adjustments, and is available in high or low worksurface heights. Keyboard pull-outs may be ordered for any desk, extension or credenza. To order, indicate the code KYB and the two letter color designation after the

stock number. The keyboard pad will match your furniture. Extensions come equipped with removable plastic filing organizers. The Four Drawer Lateral File (35 1/2" x 20 3/4" x 54 3/4") features the anti-tip mechanism, letter size drawers, suspension slides rated at 150 pounds, and is available in two or three drawer configurations.

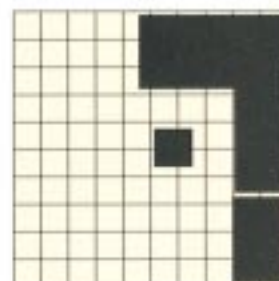

Centurion II also offers four-drawer and two-drawer letter size Vertical Files featuring the anti-tip and locking mechanisms.

The Extension and Extension Desk are also available as left connecting units.

*With Centurion II, you have all the building blocks for a growing workplace.*

**W**hen expansion and storage are critical, these Centurion II units are a good starting point. The **Single Pedestal Desk** (48" x 30" x 30") is shown with the **Single Pedestal Desk Upper** (45 1/4" x 16 3/4" x 39 1/2") in Almond laminate. The Single Pedestal Desk features an optional keyboard pull-out that replaces the center drawer. The locking file and box drawer are standard. The Single Pedestal Desk Upper incorporates built-in task lighting and has two doors with self-closing hinges on the upper storage compartment. The **Four Drawer-Two Door Credenza** (63" x 23" x 30") has locking hardwood drawers with dowel joints. All file drawers have metal frames for letter size hanging file folders. The classic colors and woodgrains make it simple to coordinate the decor for the entire office.

Also shown are the **Candlestick Lamp** and the **Oak Laminate Wall Clock**.

*The multi-talented Vantage  
can star in a variety of demanding roles.*

**T**he ensemble groupings on this and the next five pages prove just how functional and adaptable the Centurion II line can be. Here we see one of the star performers of the group—**Vantage**. It combines an **Extension Desk**, **Workstation Extension (high)**, **Workstation Credenza**, and an **Upper Organizer**. These ensemble groupings of Centurion II furniture were designed to be configured in a multitude of layouts. Shown here in Dark Granite/Dark Gray, the classic granite work surfaces are both fashionable and functional.

The Extension Desk measures 63" in length and has a box and a file drawer with full extension slides rated at 75 and 100 pounds respectively. The Workstation Extension measures 48" x 20" x 30". Like all Centurion II floor units, it has chrome plated screw levelers. The Workstation Credenza (63" x 23" x 30") has two lateral hardwood file drawers with metal frames for letter size hanging file folders. Above it, the Upper Organizer (60 1/4" x 19 1/4" x 17 3/4") features built-in organizers and a removable plastic storage unit.

Note that Vantage is available with left or right extension desk, and high or low extension as summarized below. If you wish to order the complete ensemble, use the ensemble stock number, i.e. for the Vantage left configuration, order NCC-0200 plus the two letter laminate color designation. However, if you are requisitioning through FEDSTRIP or MILSTRIP, the NSNs have been provided.

**A**s a self-contained workspace, the **Vanguard Ensemble** offers privacy and the ability to configure multiple workstations in open space floorplans. The grouping consists of a **Shell Desk**, **Workstation Extension**, **Workstation Upper**, **Workstation Extension Upper** and two **Portable Pedestals**. Shown here again in the Dark Granite/Dark Gray finish, the classic granite is a very attractive complement to the solid gray laminate. Like the entire Centurion II line, each of the units has a durable and resilient edge treatment that is resistant to dents.

The 72" Shell Desk is the foundation for the Vanguard Ensemble, and is fastened to a Workstation Extension (48" x 28 1/2" x 30"). With built-in task lighting, corkboard and a conduit for out-of-sight wire management, the Workstation Upper measures 69 3/4" x 16 3/4" x 39 1/2". It also has plenty of storage behind three self-closing hinged cabinet doors. The Workstation Extension Upper (59 3/4" x 15 1/2" x 38 3/4") has a storage shelf and task light. There are four casters on the Portable Pedestals (17" x 24 3/4" x 27 3/4"), with two swivels in rear. The pedestals have a pencil drawer with insert, one box drawer, one file drawer and the anti-tip locking mechanism.

The computer support furniture includes a **Computer Stand** (24 1/4" x 30 1/2" x 29 1/2") with height-adjustable keyboard and a **Printer Stand** (24" x 39" x 29") that feeds from the center or back and has removable

wire baskets for storage and retrieval. The **Portable Workstation** measures 42" x 30" x 29". All the units have twin swivel casters and caster locks. A great general purpose workstation, the **Modular Workstation** (42" x 30" x 30") also includes a storage shelf under the worksurface. If you wish to order the complete ensemble, use the ensemble stock number, i.e. for the Vanguard left configuration, order NCC-0800 plus the two letter laminate color designation. However, if you are requisitioning through FEDSTRIP or MILSTRIP, the NSNs have been provided.

To access Centurion II and other UNICOR catalogs on the World Wide Web, our address is <http://www.unicor.gov>.

### **Escape Proof Guarantee**

We take great pride in teaching inmates a good work ethic and marketable job skills in order to produce high quality goods and services for our customers. We are committed to your complete and continual satisfaction. If, at any time, an item we have provided does not entirely meet your expectations, we will cheerfully and promptly repair or replace it, entirely at our expense. Contact our Customer Service Center at (800) 827-3168.

### **Draperies**

We offer custom-made draperies for one window or one thousand. Select the fabric in the comfort of your office and the draperies will be made and installed to your specifications.

### **Seating**

We have a wide variety of office seating, from the back-pleasing ergo chair and the luxurious leather judicial chair, to settees and sofa groupings. Our array of fabric colors will complement any decor.

### **Order Acknowledgment**

UNICOR is committed to providing the best possible customer service from the time we receive your order, through and including the shipping and delivery of the final product. We mail you an order acknowledgment upon receipt of your order. If you have not received an acknowledgment, please call UNICOR at (800) 827-3168. Please reference your purchase order number when inquiring about an order.

### **Technical Help Available**

One of our engineers or product specialists will answer your questions about product design, specifications, use, care and maintenance, and product capabilities for Centurion II and all UNICOR products. Call (800) 827-3168. Or, e-mail us at [psc@central.unicor.gov](mailto:psc@central.unicor.gov). We're waiting to help you.

### **QuickShip Program**

A number of items in the Centurion II line are available through our QuickShip program. They are marked with an asterisk in the price list. For complete information about the QuickShip program, refer to our QuickShip Catalog. To obtain a QuickShip Catalog, or any UNICOR catalog call (800) 827-3168.

### **Signage**

UNICOR offers framed or unframed signs that can be wall-mounted, ceiling-mounted or projected from the wall; a full range of desk signs; or we can custom design signage to your specifications.

For catalogs on these or other UNICOR products or for more information, contact the Customer Service Center at (800) 827-3168.
